IN HIS GRIP MINISTRIES

As I was sitting down to consider what to write about this month, this email came and I just felt the Lord say, "What better to share than a testimony?!" I pray that this blesses you as much as it did us. We are still just as beside ourselves today as we were at the beginning, that God could use us and our lives to help others. We are so honored to get to do what we get to do.

Primrose Hill ATC had the honor of meeting Jeff and Miss Connie this month as they came to lead our Spiritual Emphasis Week.

Jeff's life is a testimony of the absolute redemptive power of God. He sees the scriptures in a very personal way and is able to communicate it to the students as if he were there himself! Jeff was also so insightful with our women. He was able to speak right to the heart of their pain and pray with them for freedom. He is a man that has seen all sides of life. He knows the strong will and bonds that sin can have on a life and he knows the power of Heaven to break it in an instant. He is someone that God is using mightily to reach into the darkness and turn the tables on the enemy.

Ms. Connie is a gentle and Godly woman. Two specific things that I saw in her struck me: her ability to forgive and her authenticity. A woman that married a man that she loved and who loved her but was an addict. The years and years of loving him and protecting their child brought her to a place of understanding the heart of God like no other. She held nothing back. She had no secrets. Her life spoke so loudly to me because it's what we all fight and it's the choice that we all have the power to make. Are we going to be honest about our lives and are we going to trust Jesus with our pain? Connie said yes. She is now teaching so many men and women how to find that same freedom in Christ through her testimony and the authentic forgiveness that is so rare to see and that she wears so beautifully.

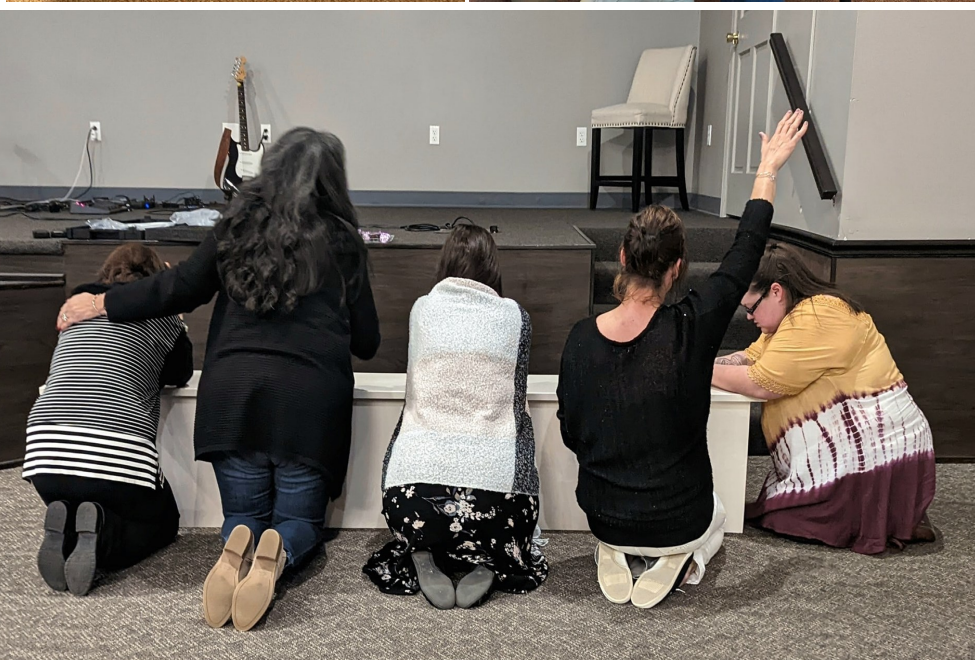

As I look at the big picture of their life, I am in awe of God. The years and years of wayward living, the pain, the suffering, the destruction, the fights, the effort, the commitment, the love, the pursuit, the treatment centers, the redemption process, the rebuilding, the renewed love, the calling, the preaching, the TESTIFYING, the thousands of lives changed!! OH, HOW HEAVEN MUST REJOICE AT THE ONE LOST SINNER THAT WAS SAVED!!!

I praise God for the counter ways in which he works!

My life was changed by how Jeff and Ms. Connie have chosen to live theirs. I ask that you join me in praying for this beautiful couple as they travel and speak and share about what God has done for them. Pray that they will not grow faint in their efforts to proclaim the gospel of Christ and that all their needs will be met as they go.

Normally I would use this space to close and request prayers for us as we travel to the upcoming events. We still covet your prayers. Also, you know that I don't normally ask for support as we have always trusted the Lord to move on hearts and He has always been faithful. However, we got a request from one of our supporters to include the following from her and her husband...

Hello Everyone,

When Jeff and Connie first set out on this ministry adventure, God put it on my husband's heart to sow his company tithe to them. Now, a lot of people don't believe companies should tithe, but we are confident that our business is blessed because of it!

I am writing today not to beg or plead. I'm writing today to tell you that it is Biblical and if God said it, your business is meant to do it and it will prosper. It can't help but prosper because it is God's way. He blesses us to be a blessing. Lately, my husband has felt led to pray that 5 other businesses would step up and begin to tithe to In His Grip. I am in agreement with him, and we are watching to see it happen now. The money is needed and will be used to reach hurting people and bring the Light of Jesus into the dark places. We wanted to put this out there so you would know and be able to give. Please pray and ask God if your company is one that is to tithe here.

I promise, the Word has not lost its power.

Luke 6:38 Give, and it will be given to you. They will pour into your lap a good measure—pressed down, shaken together, and running over [with no space left for more]. For with the standard of measurement you use [when you do good to others], it will be measured to you in return."
