In His Grip Ministries

The Lord tells us through Solomon in Ecclesiastes 3:1, "To everything there is a season, a time for every purpose under heaven." He goes on in the next several verses to give a detailed list of the various times and seasons of a person's life. If you have walked with the Lord for any length of time you know this to be true. For Ms. Connie & I, we have lived through a season of wilderness followed by a season of deliverance and healing. Then we stepped into a season of serving and learning that lasted three years as we served on staff at the same place where we received healing and restoration. After that, God led us into a season of stretching and growing our faith as we responded to the call of evangelism. We have spent five years in this season and have learned how to trust the lord for provision. We have also learned a lot of other great lessons along the journey.

I say all that to say that once again the Lord is shifting our season! In His Grip is moving to Houston, Texas. I have been offered a position as executive director of the Project Hope Texas men's campus and Ms. Connie will be serving at Saving Grace Texas, which is the sister to Project Hope. We will begin these new assignments December 1, 2022. The really cool thing about this is that we will still be able to travel and minister as In His Grip. Obviously not for weeks at a time, but for special events such as revivals and spiritual emphasis as well as chapel services. Along with that, In His Grip will remain as a resource to help men & women with the cost of getting to or into a program, be it travel, or bloodwork or clothing & necessities. We feel confident that God has used these five years to not only build our faith, but also to show us many different programs and introduce us to many leaders that we have gleaned from. We are excited to follow God into this new season and we hope you will be excited for us.

God always goes before us!

We will send updated address as soon as we have it.

Isn't it just like God to take us full circle?

Pastor Dave was my director when I came into AzleTeen Challenge as a broken man.

Pastor Hartin was and is the Pastor of Victory Christian Center which is Azle Teen Challenge's home church.

We had the opportunity to minister at both places this month

Central Oklahoma Teen Challenge

Please pray for us as we step into this new season. Also know that if you continue to sow into In His Grip, 100% of your seed will go towards advancing the Kingdom of God by helping the broken and addicted find freedom in Christ.
